*Our children,
Like a tree,
One of our greatest gifts
Who with nourishment
Blossom and grow
Our greatest hope in growth
Is establishing deep roots
And finally when full grown
Are a reflection of
What is good in this world*

Foundation Goals

To positively impact the well-being of disadvantaged children in the communities we serve.

To be a role model in the community by demonstrating good corporate citizenship and to enhance Intero's position as a meaningful contributor to the community.

Primary Areas of Focus

The Foundation seeks out non-profit organizations that make a lasting positive difference in people's lives through education, development, and assistance, and whose primary focus is youth and children in our community from birth to 17 years old.

Guidelines

- The Intero Foundation focuses its donations on non-profit organizations or projects that are locally based within the communities we serve.
- Funding is typically provided to smaller organizations where an Intero Foundation donation can have a significant impact.
- Eligible organizations must be able to show that their services have a long-term positive impact on children's lives.
- Main funding priorities are working with disadvantaged children through:
 1. education, development, counseling, and mentoring for at-risk youth
 2. providing food, shelter and counseling for impoverished children
 3. education/training and care for children with life-altering disabilities.
- Only complete proposals will be considered.
- Agencies receiving Intero Foundation funding are eligible to re-apply each year and will be considered along with all other qualifying proposals.
- Organizations will be notified of the Committee's decision in writing.
